DIRECTORATE OF RESEARCH AND GRADUATE TRAINING

CALL FOR APPLICATIONS FOR PhD SCHOLARSHIP TRAINING UNDER THE AfDB-HEST PROGRAMME (2013-2018)

Makerere University is among the six public universities benefiting from the 4-year AfDB-HEST funding. The funding, among other components supports human resource capacity development. The Directorate of Research and Graduate Training has been requested to coordinate the process of identifying the PhD students to benefit from the scholarship.

Applications are now invited from eligible academic staff to compete for two (2) Ph.D scholarships in the areas of **Technology** and **Applied Sciences**. The scholarship will cover tuition and research costs for three (3) years

Applicants must include a current CV and an itemized detailed budget following Makerere University format. Applications in a soft and three hard copies should be submitted to the **Directorate of Research and Graduate Training (Research and Publications Office), Lincoln Flat B5** by **27th November, 2015**. The soft copies should be emailed to: conference@rgt.mak.ac.ug and copied to: director@rgt.mak.ac.ug

For enquires/clarifications regarding this call please contact the Research & Publications Office, Lincoln Flat B5

The application should be accompanied with:

- 1) Evidence of employment as an ACADEMIC member of staff
- 2) Evidence of FULL ADMISSION for the PhD programme
- 3) Evidence that the applicant was granted STUDY LEAVE (**where applicable**)
- 4) Provide a progress report duly signed by the supervisor(s)
- 5) Declaration and evidence of other sources of funding if any

❖ Supported PhD students must complete their activities by September 2018

Signed;

Prof .Mukadasi Buyinza
